

**STORDIS** is one of Europe's leading companies in the field of 'Open Networking' and specialises in developing innovative, tailor-made networking solutions. We have offices in Germany (Stuttgart) and in the UK (Gloucester). Our primary customers are renowned enterprises operating in academia and research, media and entertainment, cyber security, telecommunication, financial services, defence, and service providers. We are highly committed to promoting the "Open Networking Revolution" with the help of our international memberships.

As a result of positive progress, we are expanding and we are looking for a motivated new team member in the position of Financial Controller, based in our UK, Gloucester office.

## Finance Officer

As our Finance Officer you are responsible for the administration of STORDIS finances and support of supply chain activities as listed below. You will report to the Chief Operating Officer.

### Your upcoming tasks:

- Manage all aspects of Accounts Payable (AP) and Receivable (AR)
- Prepare cash flow reporting and forecasting
- Manage monthly payroll
- Prepare and submit VAT returns
- Assist with preparation of statutory accounts and corporation tax
- Prepare month end processes and associated reporting
- Operate and enhance financial controls including balance sheet reconciliations
- Maintain the fixed asset register
- Keep up to date with changes in UK financial reporting standards, legislation and tax law
- Support the Operations Team with supply chain activities: place purchase and sales orders, receive and issue goods and invoice customers
- Manage ERP systems activities as requested

### Skills/Qualifications:

- A minimum of 3 years related work experience
- Sound knowledge of financial and accounting procedures in the UK
- Excellent analytical and numerical skills; good time management
- Knowledge of Navision would be advantageous
- Proven communication skills in English
- Willingness to learn and apply German financial and accounting procedures
- Knowledge of German Language would be advantageous
- The ability to work both independently and as part of a team, in a well-structured manner

### What we offer:

- A permanent position in a future-oriented company in our UK office in Gloucester
- Tasks of diverse complexity and scope in an innovative environment
- Excellent career building opportunities such as internal training and advanced education
- Flat hierarchies and an international environment
- Optional flexible working hours
- A strong appreciation of your personality and reliance in your experience and competencies

### Your next step:

Are you ready to shape the future of networking technology with us? Great! Please send your applications to [jobs@stordis.com](mailto:jobs@stordis.com). Please kindly provide your earliest possible entry date and your salary expectations. Your personal information will be treated as strictly confidential.

STORDIS values equal opportunity and considers qualified applicants for employment without regard to gender, age or national origin.
